

EARLY RELEASE SESSIONS – 2024-25

This month has a range of meetings taking place so please read through the list carefully to see where you might be assigned. **If you do not have any meetings, please use the time to reach out to students and parents that may need direct contact, work on writing your SLO/PPG goals in Frontline, complete the required staff training videos, and work on curriculum planning.** As always, I am grateful for the board and community support of this meeting time.
