President's Report: Carrie Ammerman

Treasurer's Report: Denise Kelley

18700 in checking account

Scoopie night 492.46 –donations accepted?

Looking into possible money apps, but at this point they do not work for us.

Setting up account with RaiseRight, the gift card fundraiser. Rollout in fall. Some test runs in summer to see how it works.

Have about 7000 remaining after paying for our Spring commitments.

Principal's Report: Melinda Kamrath

List of things looking to fund every year. Items teachers could utilize more–books for classroom libraries, certain amount to teachers each year to use for books, funding yearly field trips so parents don't have to always pay.

3 screens went very well for the kids on Tuesday this week.

There will be 1900 left in enrichment account to use next year–or put towards book vending machine.

Working on quote for book vending machine–works with tokens that the kids are rewarded. Hopefully, purchasing this year. We'll know what we will need to contribute after Laps for Learning. Will vote on everything at the May meeting.
